Sir:

In accordance with the duty of disclosure under 37 C.F.R. § 1.56, Applicant hereby notifies the U.S. Patent and Trademark Office of the documents which are listed on the attached PTO/SB/08 A & B (modified) form and/or listed herein and which the Examiner may deem material to patentability of the claims of the above-identified application.

One copy of each of the listed documents is submitted herewith. The three listed Japanese Application documents were cited in the International Search Report for PCT/JP2004/004159, dated August 17, 2004, a copy of which was submitted with the Information Disclosure Statement filed September 22, 2005, and listed WO 99/06025 is an English language document corresponding to the third listed Japanese Application document (viz., JP 2001-511439).

The present Information Disclosure Statement is being filed no later than three months from the application's filing date, and therefore no Statement under 37 C.F.R. § 1.97(e) or fee under 37 C.F.R. § 1.17(p) is required.

In compliance with the concise explanation requirement under 37 C.F.R. § 1.98(a)(3) for foreign language documents, Applicant submits the following explanations:

1. The indication in the International Search Report of the degree of relevance found by the foreign patent office and the submission of an English language abstract for JP 2002-338476 constitutes a concise statement of relevance of JP-2002-338476. Furthermore, an English language machine translation of JP 2002-338476 is also submitted herewith for the Examiner's consideration.

2. The indication in the International Search Report of the degree of relevance found by the foreign patent office and the submission of an English language abstract for JP 2001-335490 constitutes a concise statement of relevance of JP 2001-335490. Furthermore, an English language machine translation of JP 2001-335490 is also submitted herewith for the Examiner's consideration.

3. The indication in the International Search Report of the degree of relevance found by the foreign patent office and the submission of an English language abstract for JP 2001-511439 constitutes a concise statement of relevance of JP 2001-511439. Furthermore, the attached English WO 99/06025 document is included as it corresponds to JP 2001-511439.

The submission of the listed documents is not intended as an admission that any such document constitutes prior art against the claims of the present application. Applicant does not
